## Function 1122<sup>®</sup> Touch The Limit<sup>®</sup> Leather Motorsports Driver's Belt Accessory Care

To care for your custom Function 1122 Motorsports Belt Accessory please follow these recommendations:

**Hand Wash:** to keep your belt like new, regularly use a leather cleaning product like Saddle Soap to clean and condition your leather belt. Colorfast test the product on a small area before using on the entire belt.

**Hand Conditioning:** for additional protection to prevent leather from drying out and cracking, regularly use a leather conditioner to condition the leather and ensure its suppleness and long life

**Do Immerse Belt in Water:** never soak or immerse your custom accessory belt in water

**Do Not Machine Wash:** never machine wash your custom belt accessory as this may damage the belt.

**Do Not Machine Dry:** never machine dry your custom belt accessory as this may damage the belt

**Do Not Iron:** I never iron your custom belt accessory as this may damage the belt
